Dear Comrade Ndlovu

PAYMENT OF OUTSTANDING AMOUNT OF US$26,997.00 BEING FELLOWSHIPS FOR ANC CANDIDATES MESSRS AUBREY MISELO, APHISTA K MATABOGE AND VUYANI NEMANI WHO PARTICIPATED IN THE PAN AFRICAN INSTITUTE FOR DEVELOPMENT, EAST AND SOUTHERN AFRICA'S 1991/92 NINE MONTH DIPLOMA COURSE IN MANAGEMENT AND EVALUATION OF RURAL DEVELOPMENT PROJECTS.

I am sorry I have to address you in writing on the above issue. The Institute was influenced to accept the three ANC Candidates for the above course on the basis of assurances given by Comrade Fred Mociminyane of your office last year about the availability of funds for their training.

Despite frequent visits to your office and numerous promises made between October last year and May this year when the trainees were about to complete their training, your office has not been able to effect any payment.

You will recall that the Institute had decided last June to withhold the diplomas of the trainees before their graduation. I agreed to release the diplomas only when you intervened personally and promised to expedite payment. Regrettably three months have lapsed and we have still not been paid. My efforts during my last two visits to Johannesburg in August and September to have the issue resolved were unfortunately frustrated by the evasive attitude of Comrade L. Mabandla of the Education Department at the ANC Headquarters.

In view of the apparent stalemate in this issue and the pressure being exerted by our auditors, I am writing to inform you that if payment is not effected within one month, I will be compelled to seek redress from the President of the ANC, Comrade Nelson Mandela.

Hoping to hear from you soon.

Yours sincerely,

Anthony L Hagan
