The Unisa Centre for Latin American Studies cordially invites its members to a lecture on

MERCOSUL STRUCTURES AND PERSPECTIVES

by

DR DURVAL DE NORONHA GOYOS JR 6

Dr Duval de Nomnha Goyos Jr is the founder and senior partner of Nomnha

Advogados, the second largest law firm in South America, with offices in various cities in Brazil and also in Miami, London, Zurich and Lisbon.

He is regarded as an authority in the fields of international law and economics, as well as economic groupings such as MERCOSUL, NAFTA and GATT. He has represented the Brazilian government in international negotiations concerning MERCOSUL and GATT.

We are privileged that Dr Noronha Goyos has agreed to speak under the auspices of the Centre, as he will be in South Africa for one week only.
