Mr. Alfred Nzo,  
The Secretary General,  
A.N.C. South Africa.  
LUSAKA.

Dear Comrade Nzo,

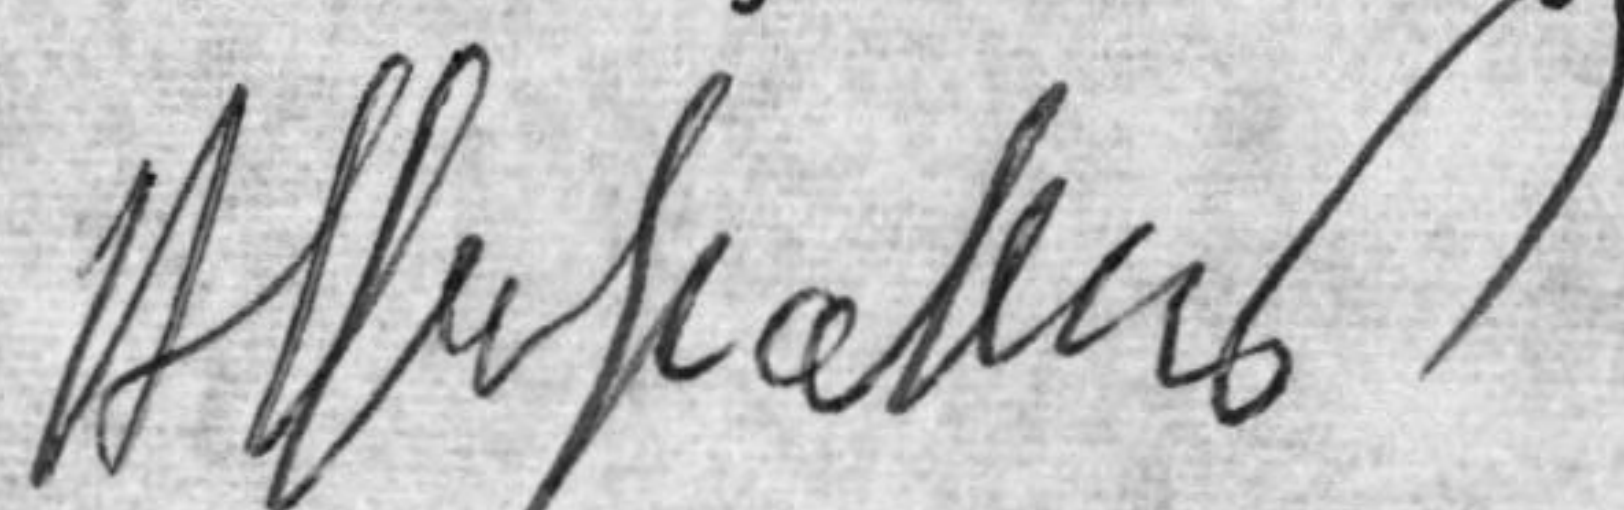

You may recall that one of the points we discussed when we met in Maputo was the postponement of AAPSO Congress to March. Surprisingly, I have not heard from the Secretariat in Cairo although I had written asking them to confirm the new date.

By the way you had stated that Comrade Joseph Nhlanla may be coming to Zambia from Cairo. The purpose of this letter is to request you if you can use your good offices to keep me informed about the venue of the Congress. I believe you are aware that we attach great importance to this Congress as our application for membership within AAPSO will be discussed by delegates. In all, LESOMA expects a strong backing from the A.N.C. as we are fighting against a common enemy.

You may inform me through LESOMA's Divisional Secretary, P.O. Box Rw 119, Lusaka.

Fraternal Greetings,

Yours very sincerely,

Dr. Attati Mpakati

National Chairman

The Socialist League Of Malawi.

(LESOMA).
