Dear Ms Molitor

Thank you very much for your letter of 28 February 1995. We are pleased to note that we have clarified the position of the Trust and its future, and we are especially grateful for your

decision to transfer the final instalment of ATS 100,000 to the Batlagae Trust shortly. This will be of great assistance to us in finalising payments for our bursary programme for the

1995 academic year, and we thank you for your consideration in this matter. Confirmation of

receipt of these funds will be sent to you as soon as we are notified of their arrival. In addition,

our Annual General Report and Audited Financial Statements for 1994 are being prepared at present, and we anticipate forwarding a copy of these documents to you in due course.

Once again, I would like to re-iterate our sincere thanks to KFS for their support of the bursary

programme of the Batlagae Trust. This commitment to South Africa's young people is making a significant impact on the reconstruction and development of our newly democratic nation, and

on the opportunities for education and enrichment of our previously disenfranchised citizens.

With very best wishes

Yours sincerely
