Maputo.

1.3:.

Cde, Baartman,

Accept my apologies for any inconvenience caused by not replying and responding to questions raised in your letter I have received. .

I admit this is one of my bad habits which I am fighting very hard. I want to abandon it but due to the innumerable amount of work daily it is. It becomes very difficult to do it completely with these shortcomings.

I am sorry for keeping this line of

First I want to thank you very much

for all the time as you have been in
