ANCSA Merchandise

London

Oslo, 22 February 1990

Dear Dennis,

Unfortunately the consignment from you is again stuck at the customs. They don't accept that the goods are valued at i 50. However, we do not have to pay customs at all if you send an invoice on which you write the standard letter we have sent you earlier (see enclosure). The invoice should show the lowest possible production costs for each item (for VAT-taxation). Also remember that it is preferable to divide big orders into smaller consignments (for the future). Please send the invoice with the letter as soon as possible. (It should . go by mail, as we need your original signature.)

Thank you for your cooperation in this matter.

In the year of People's Action for a Democratic South Africa!
