□ Mr Roger Freeman, the junior Armed Forces Minister said there was no evidence of men named in allegations of a plot to kidnap African National Congress members meeting British officers.

Dale Campbell-Savours, the Labour MP for Workington, asked: "On what occasions Messrs Viggo Oerbak, Frank Larsen, John Larsen, Hans Christian Dahl, and Johann Neimoller have met serving British officers in the course of official duties."

Mr Freeman replied: "We have found no evidence of any such meetings."
