United Nations Educational and Training  
Programme for Southern Africa (UNETPSA) -  
Dear Mr. Modise,  
I wish to acknowledge receipt of your application for financial  
assistance under the Programme.  
I assume that you have been informed by the Director of the Luthuli  
Memorial Trust of the rules governing the grant of fellowships under  
UNETPSA, that a limited number of fellowships, for study in Europe, is  
granted depending on availability of funds, only for Master's degree  
programmes, or for the final year (exceptionally for the final two  
years) of an undergraduate degree and only to candidates seeking partial  
assistance to complement their other financial support.  
In view of the foregoing I have to inform you that your application  
cannot be considered for the first year of the Architecture and  
Environmental Studies but you may renew your request when you are  
halfway through your study programme. At that time please provide  
a complete transcript of grades from the beginning of the course,  
a copy of your passport and/or a certified copy of a birth certificate.  
Yours sincerely,  
. Michael A . Zinovieff
