● TO WHOM IT MAY CONCERN

Sir,

I am addressing this open letter to you, in order to bring to your attention about the IMMIGRATION LAWS of the Country. ^{by} The Government of the Day has opened the door, for Immigrants to come in freely, they come in and obtain WORK PERMITS and are granted PERMANENT RESIDENCE without delay, while our Country South Africa is BLEEDING with UNEMPLOYMENT, these new Immigrants are exploiting the situation, the Citizens of South Africa who are born here are unable to get work and the new Comers are taking over the work which our own Citizens are entitled to have, therefore I bring this matter to your attention that all WORK PERMITS, and the PERMANENT RESIDENCE PERMITS which were granted during the last Seven (7) years should be withdrawn so that our own Citizens can get a chance of EMPLOYMENT.

Trusting you will give the matter your urgent attention.

Yours faithfully
South African Citizen

● TO WHOM IT MAY CONCERN.

Sir,

I am addressing this open letter to you in order to bring to your attention about the IMMIGRATION LAWS of the Country by The Government of the Day, has opened the Doors for Immigrants to come in freely, they come in and obtain WORK PERMITS without a question, and in a short period of time are granted Permanent Residence, these Immigrants from all over the Globe and neighbouring Countries have flooded our Country. While our Country South Africa is BLEEDING ~~is~~ with UNEMPLOYMENT, these Immigrants are thus exploiting the situation, when our own South African Citizens who are born here cannot find work, these new comers have taken over their work, which in my opinion is a serious matter to consider. Therefore I appeal to the AUTHORITIES to Cancel all WORK PERMITS and Permanent Residence Permits granted during the last Seven(?) years so that our own Citizens can be given a chance of EMPLOYMENT.

Trusting you will give ~~that~~ the matter your urgent attention.

Yours Truly
South African Citizen.
