Dear Comrade Joe

The last occasion you visited us in Lusaka, you hinted that there were plain/white T-shirts at our disposal.

Seeing that there is the World Conference coming in July in Nairobi, we would like to project our struggle and conduct an effective propaganda with the T-shirts. We are therefore requesting you print the T-shirts for us and send them with the delegate or prior to her departure.

The inscription would be; WOMEN OF THE WORLD UNITE AGAINST APARTHEID, the emblem of the United Nations Decade for Women.

Kindly let us know how soon these can be available.

Revolutionary Greetings and Best Regards.
