Dear Comrade Vuyo

This is to acknowledge receipt of your letter dated May 4/87 addressed to the Chief Rep.. The RPC was saddened to learn that your application for funding from the Canadian Council for UNESCO had been turned down. However, we are encouraged that you intend to see your timely study through.

After a lengthy discussion regarding possible sources of funding, the RPC advises against the route you and the Manitoba Unit propose i.e. soliciting funds for your project from solidarity groups. Instead we are recommending that you apply for a grant to the National Scholarship Committee at HQ. Enclosed are scholarship forms which you would have to fill in.

Also, traditional sources of grants and scholarships are a channel which could be exploited.

AMANDLA!

Yours

Sam Kotane

Secretary, RPC.
