Dear Yusuf

Enclosed is a copy of a letter we have mailed to all cities where Dennis will be speaking; also a blank 'flyer' for local groups to use if they wish; and a copy of his flight schedule.

I will send more details of what is happening in each area as it becomes available. I will also send a list of contacts in each area with telephone numbers so that you will know who is responsible in each area.

I hope things are going OK with Gloria. I will be speaking to her later today. I am sure things will work out OK and I know we are all looking forward to this tour.

Will be in touch.

Yours sincerely

Dear

It is only a few weeks until Dennis Goldberg is here in Canada. Thank you for helping us make his visit as successful as we can.

I just thought I would remind you of a few points relating to this tour:

- 1) The tour is sponsored by IDAFSA (Canada) in cooperation with the African National Congress. Any local publicity should include that sentence.
- 2) The tour is primarily educational in nature. Any funds raised, after all expenses have been deducted will be shared equally between IDAFSA and the ANC for their humanitarian programs.
- 3) Enclosed, on labels, is the IDAFSA (Canada) mailing list for your area.
- 4) Also enclosed is a flyer which you may, or may not, wish to use, by inserting the specific information of the public meeting in your area.
- 5) Please let those on IDAFSA's list know what is happening re Goldberg's visit in your area.
- 6) We will also be putting the information about his tour in our next newsletter due to be mailed out the first week of September. If we can have the information by the end of August, we can put the date, time and location of the public meeting in your city in our newsletter.
- 7) We will be able to refund reasonable expenses. Please let us have invoices and receipts.
- 8) Please send copies of any flyers, press releases or media coverage on Dennis's visit to us.

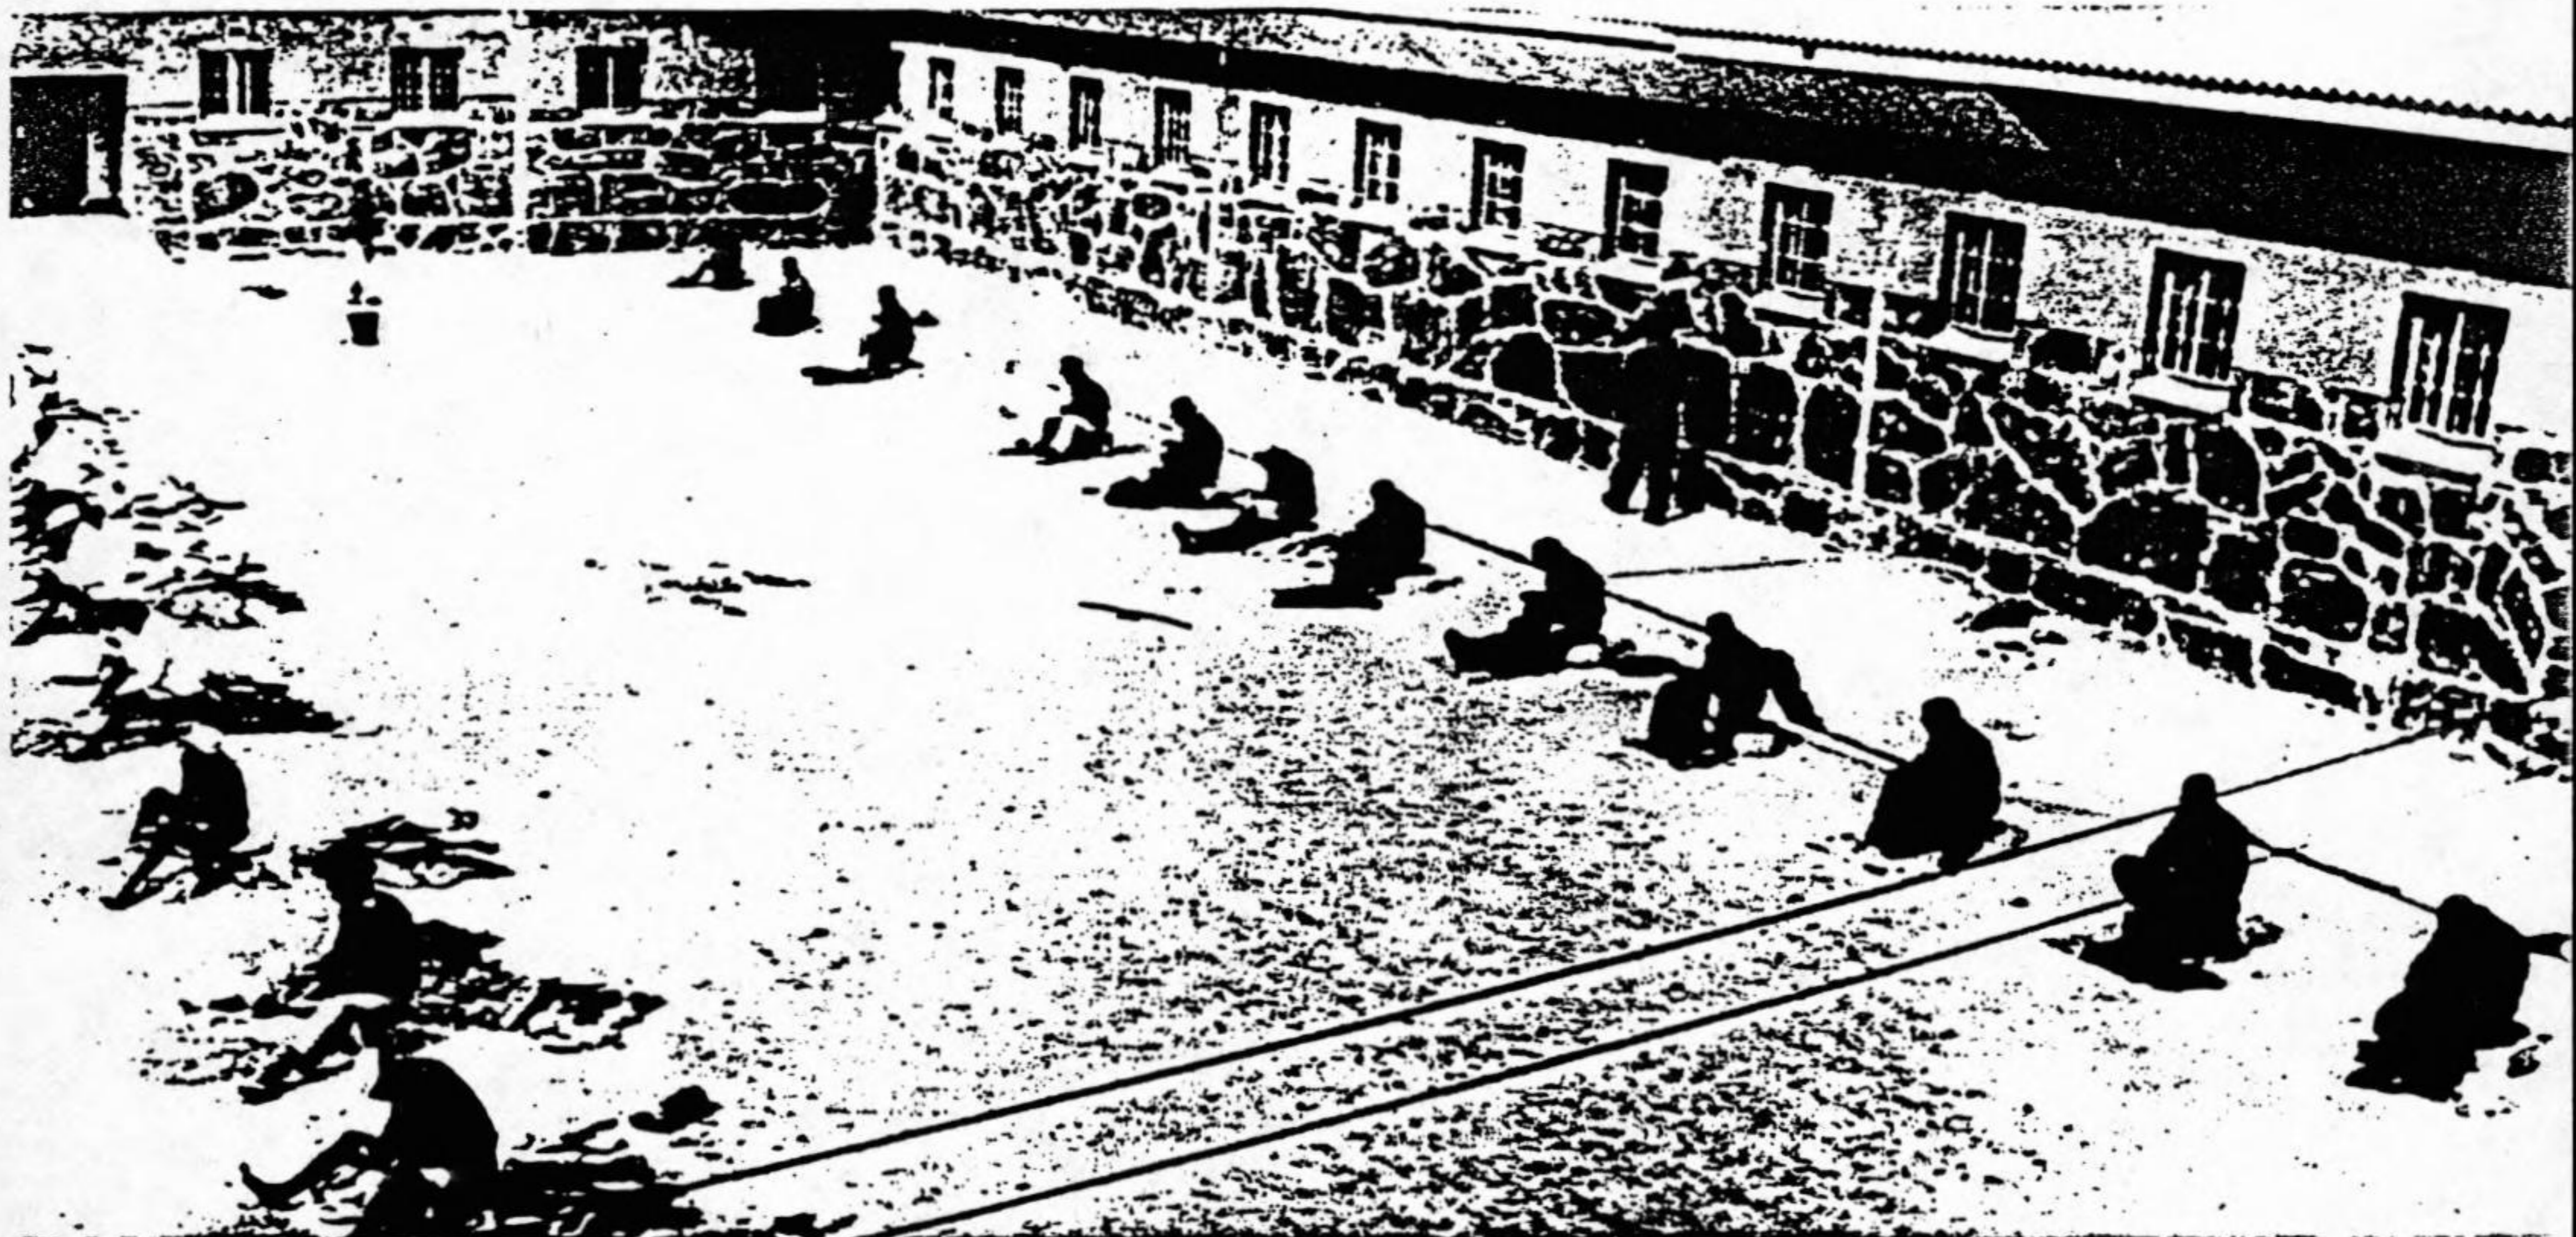

Thanks for your help. His flight schedule is also enclosed.

Yours sincerely

Anne Mitchell  
Executive Director

Dear Mr Smith

We are really excited about Dennis Goldberg's visit to Canada. I enclose an itinerary of public events which has been distributed across Canada. There will also be media events in each city and rallies or demonstrations around the United Nations Day of Solidarity with South African Political Prisoners.

In Ottawa Dennis will also meet with the appropriate officials within External Affairs and breakfast with Parliamentarians for World Order. There will be a public meeting at the National Arts Centre in Ottawa and also a fundraising supper. Embassies have also been invited.

We would also like to publicize IDAF's new biography on Nelson Mandela in Canada while Dennis is here. What we had in mind was simply having copies available for sale and perhaps Dennis could comment on it in the various cities when he meets with the public and the media?

I have enclosed as much information about his visit as I have at the moment - that is, meetings, etc. Please pass this information on to Dennis.

Thank you.

Yours sincerely
