Greetings Mike,

*Peter boss
London*

We received your notice and invoice just before Christmas and I called you once I received it.

To the best of my knowledge, we did not order these materials. There is no OXFAM-Canada Ctee in Guelph, although we do have 2 active volunteers. I called them and they knew nothing about this.

Could you please call me if this requires further clarification. I might add that it is possible that these resources were in fact ordered by the anti-apartheid coalition in Guelph which is an independent entity. The coalition, to my knowledge, uses the Guelph OPIRG office at the U. of Guelph.

Best wishes for 1989,

*Stephen to
