The Chief Representative,  
Comrade J. Zuma,  
A.N.C. Office,  
Magutic.

Dear Comrade Zuma,  
I have tried to indicate by elex to Comrade Mhlophe the  
t difficulties associated with a request from you to have students  
requested by their parents in Maputo being permitted to do so.  
This holiday by students with parents in the external mission  
has been abruptly ended by the negative reaction of the bigger  
student body who have their parents inside South Africa. There  
is a detailed reply to this effect coming with Tiksie. But, in  
brief, this matter can no longer be decided by my Office; it is  
strictly in the hands of Comrade Makgoti and the S.G.  
Kindly clear my entry into Maputo on 17th December and advise.  
I am coming to my family for about 10 days.  
Yours in the Year of the Cadre,
