Dear Ms. Leatherman,
Eatlagae Trust Proposal

John Samuel today handed me your faxed letter dated 10/11/92.

Thank: you for' your efforts to contact us. We are however
surprised that you have not received my letter posted on 19/8/92'
together with the completed questionnaire. A faxed letter was
sent to the above number on 20/8/92. Both letters were addressed
to Karla Ann Fayles.

However, I am faxing all the relevant documentation to you today.

We sincerely hope ythat our request will be given early
consideration as we are processing applications for the new
. academic year which commences in January 1993.

Yours sincerely
