Dear Mr. Chikane

I am writing not only on behalf of the Ministry of Foreign Affairs to thank you for your address to the Second Diplomatic Training Course, but also on behalf of the Trainees who, by

special resolution, have requested me to submit to you their deep appreciation for your participation.

We are all aware that a course of this nature cannot be run without the support of excellent

. resource personnel such as you, willing and without charge to make an appearance as well as

leave behind a statement for further study and reference.

As Course Director, may I add my appreciation to that of the Trainees and express the confidence that the Ministry can count on your support for future courses.

Yours sincerely

E.M. DEBRAH

COURSE DIRECTOR
