Dear Mr. Ambassador,

I write to thank you most wholeheartedly for organizing the
briefing meeting with the African Ambassadors in Tokyo on International
Conference on Assistance to African Children (ICAAC) on 7 September 1992.
I hope that it will be possible for the African Group in Tokyo to
pursue the follow up actions proposed in that meeting. You would kindly
recall that following suggestions were made:

1. The African Group would meet the Japanese Foreign Minister in Tokyo
to emphasize the importance attached by African countries to ICAAC
and request high-level Japanese participation there.
2. The African Group would also underscore their desire to see close
linkage between ICAAC & the proposed Conference on African
Development in Tokyo (CAD) and their interest in inclusion of social
sector development issues in CAD.
3. The African GrOup would regularly remain in touch with the Japanese
MOFA collectively as well as bilaterally to remind them of the
African interests and concerns in resPect of ICAAC & CAD.
