Esteemed Comrade Zuma,

RE: URGENT MEETING BETWEEN ANC AND BNP

The past 4 weeks have been very eventful and  
unsettled in Lesotho. Against the background of  
this unfortunate scenario, it would be opportune to  
hold an urgent discussion with the ANC at the  
soonest possible moment convenient to you on the  
following agenda:

1. END meeting with Pik Botha on 16 December 1993

2. ENE meeting with Pik Botha on 15 January 1994

3. The present Royal Lesotho Defence Force (RLDF)  
conflict

4. The necessity to prevent - at all costs - a  
spread of the state of anarchy and possible loss  
of life due to rebellion

5. A possible ANC/TEC role in the conflict

6. A military take-over - if that is a possibility  
arising out of this conflict - should be avoided  
and prevented at all costs

We would, therefore, appreciate an urgent meeting  
so as to be able to brief you on the unfortunate  
' crisis in Lesotho.

Sincerely yours;

Q83 Rk(xzs\_;
