Dear Dott

RE: RETURNEES - SCHOOL GOING KIDS

We acknowledge instructions from some of the clients, Anna,
Steven, Steven and Tuelo Lesole.

Clients inform that the school going kids could not attend school V
because of their parents' political allegiance and the Batlagae 1

best known to those principals. /

They approached us for legal assistance and that has been ,
undertaken by us and the SACC Returnees Legal Assistance
Programme to make sure that the principals are legally forced to ,
Could you instantly send those forms through our officee before
dmission 01051ng dates set in for the school going kids (12) and
Atheir level of education please refer to the attached copyfo

Yours faithfully
