Dear Sir,

I would advise that the above journal ceased publication when the publisher went into liquidation, and your subscription was cancelled.

However, we have now been advised that this journal has been purchased by a new publisher and recommenced publication in November 1990. Your subscription has been extended by the publisher to April 1991, to compensate for non-publication during July to October 1990.

Please confirm by return of post whether we should enter an order for May 1991 to April 1992. We look forward to hearing from you shortly.

Yours faithfully,

Ana O'Sullivan
