Dear Sir,

Re: Australia: IMBISA/ANC IN-REGION TRAINING PROGRAM

I regret to advise you that IMBISA Refugee Services will no longer be in a position to participate in the implementation of the above program.

As you already know, Father Cas Paulsen has been called back to South Africa by his Bishop to participate in the implementation of their activities in Transkei.

Following a number of discussions we have identified the Catholic Relief Services as the most appropriate Non-Governmental Organisation to take over the role of IMBISA in the implementation of the program. Catholic Relief Services comes highly recommended by IMBISA and has previous experience in working with ANC.

The Catholic Relief Services has agreed to take on the responsibility of financial control and management under the same conditions that applied to IMBISA. An agreement to this effect will soon be signed between ourselves and the Catholic Relief Service. I am hopeful that the standard of service and cooperation set by IMBISA will be maintained in the future phases of the program.

Yours faithfully,

Nescha Teckle
