17 June 1993

Cde George Nene  
ANC Chief Representative  
LAGOS

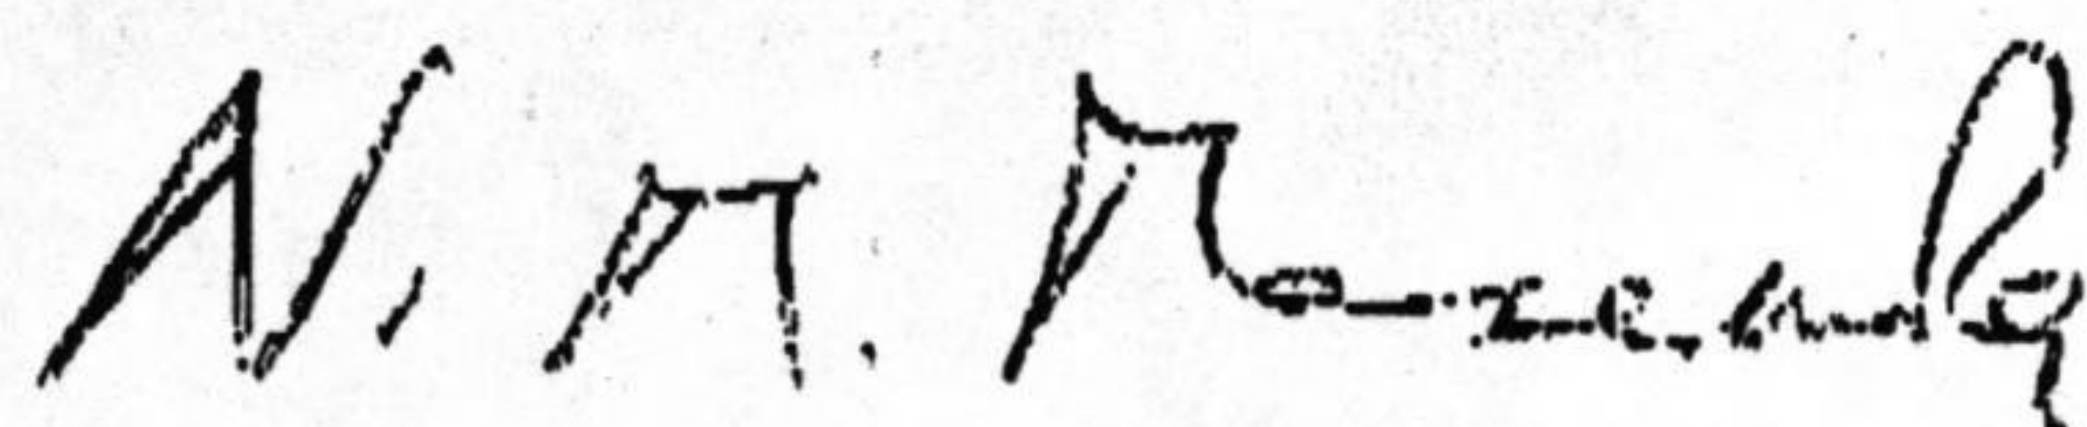

Cde George Nene:

There is another force at work amongst the students in Lagos/Nigeria. Its purpose is to destabilise and if possible to destroy the LMT/Austcare programme.

It is vicious, treacherous, conspiratorial, ruthless and destructive - deliberately so. It is active amongst our students. The students are its chosen instruments to destroy work over there. I ask you as Chief Representative of our Movement to look into this matter and to advise me on how best to deal with it. If you are unable to do so, please let me know so that I may ask for assistance from appropriate organs of the ANC here at Headquarters. So much work achieved by so many over such a long period of time must not be allowed to go to seed just to satisfy the whims of an ugly force that operates in the shadows and secret for selfish ends.

Please let me have your response not later than Monday the 21st June, 1993. The matter is extremely urgent.

Regards.

**NATHANIEL M. MASEMOLA**  
Director.
