For your information I am sending you a copy of the decision taken by the OTG Secretariat on 13/5/92.

Please inform MFA and NPA about the measures we have taken to ensure full donor participation in discussions on assets.

Malume, Zama and I will go over to expedite all preparations for the handover.

Since the handover ceremony will be on 1st or 2nd July, could you please inform NPA that we are committed to renovating the Settlements before the handover ceremony and therefore (a) it will be important for Hans-Peter Anfinset who is currently in Norway to return as soon as possible, and (b) Nerenco should be approached to do an emergency renovations job.

Finally, the TG wishes to request assistance from MFA for the handover ceremony, to enable key ANC people who contributed to the setting up of Mazimbu/Dakawa to participate and to cover other costs. The tentative budget is given below. It will be wonderful if MFA can fund half of it. A proposal with a final detailed budget will follow.
