Pilot Vocational Training for Liberation Movements

The ANC Education Officer met representatives of the ILO at a preliminary . meeting to prepare for a. Tripartite Review Meeting of the above. During discussions the ILO informed the Education Officer that they propose to include these skills into the present project:

2 Fellowships for training in Vocational Rehabilitation. The training will take place in Riand if conditions permit. For entry, candidates should have undergone some initiation in or have been exposed to paramedical activities;

2 Fellowships in Occupational Safety and Health. The training will take place in Nairobi. Entry requirements as for Vocational Rehabilitation.

2 Fellowships for Training in Handicrafts (Cooperatives). One fellowship will be for training in setting up cooperatives and the other will be for technician training. The fellowships will be tenable in India.

2 Fellowships will for Secretarial training in Nairobi. Entry requirements for the last four fellowships will be Form IV.

ILO recommends that the above fellowships should be made available to female candidates.

Although we do not yet have the revised documents, I would ask you to. submit your nominations as soon as possible.

Amandla!
