Oslo, 23 February 1990

Dear Gill,

Please find enclosed photos from a rally organised by the ANC office in Oslo on the day of Comrade Nelson Mandela's release from Victor Verster Prison.

The city of Oslo was excited with the news, where rain and dark skies could not keep the residents and anti-apartheid activists from singing and dancing in the streets at the news from South Africa.

Norwegian TV, radio and newspaper journalists covered the rally. People around the city of Oslo came to celebrate with us the event of Mandela's release.

If you need further material, please contact us. These photos do not have to be returned, and they are for your own use at celebrations, events, advertising and publicity.

In the Year of People's Action for a Democratic South Africa!
