Urgent Circular to all ANC Members

The voting date for South Africans living abroad is **April 26**. It is absolutely necessary for all eligible voters to ensure that they have the appropriate documentation in readiness for this historic event. A valid South African passport or ID will suffice. But those individuals who do not have any of the above-mentioned documents can apply for Temporary Voters Cards, which will be available soon at the embassy.

The Independent Electoral Commission (I.E.C.) will determine where voting stations should be in foreign countries. The Commission has the discretion to use South African missions and other appropriate venues. Concrete and final information in this regard will be dispatched in due course.

It will assist us greatly if you can urgently respond to this circular in the following ways:

- a) by reading and sharing this information with other South Africans eligible to vote.
- b) phoning in to the ANC Bonn office giving your name and the town in which you live.
- c) saying whether you are ready to serve as an ANC party agent for monitoring that the elections are free and fair.

N.B. Eligible voters should be 18 years old and above.
