On behalf of the Special Committee against Apartheid, I congratulate you for convening the workshop and bringing together organizations from Asia and Oceania to discuss the inhuman system of apartheid. The current deteriorating situation in apartheid South Africa and Southern Africa as a whole warrants international and regional mobilization for the total elimination of\_g2ggthgid, The Special Committee is particularly concerned about the growing economic . relationship between some Asian countries and South Africa, especially Japan who has now become the major trading partner of south Africa. I am confident that Mr. Abdul Minty of the World Campaign and the National Liberation Movements of South Africa will elaborate on this collaboration. Wish you success in your deliberations.
