Mr. Lawrence S. Green
P. O. Box 1711
MONROVIA
Liberia

Dear Brother,

Thank you very much for your warm and encouraging letter of February the 7th 1989. It heartens us immensely to learn of your desire to be part of the just and heroic struggle of the people of South Africa to rid the continent and indeed the world of the scourge of apartheid racism, under the vanguard of the ANC.

It is not everyday that men of your conscience and lofty aims avail themselves to be in the forefront of such a struggle as the one we are engaged in. If proof be sought of Africa's resolve to win freedom and true liberation, then your letter is surely one example.

I would however encourage you to join an anti-apartheid organisation in your country or initiate the formation of an ANC Support Group in your locality for the purpose of canvassing political, moral and material support for our organisation and the embattled people of our land. Through such an endeavour you shall have contributed immeasurably to the cause of freedom in South Africa and the total liberation of this continent we so dearly love.

As for your other request regarding information on the ANC, its social composition, publications, etc. I kindly refer you to our Mission in the Federal Republic of Nigeria which will be quite happy to fill you up and arm you further. You can contact them at the following address:

The Chief Representative
ANC
Federal Government
Special Guest House
Victoria Island
LAGOS

I think that this should be more convenient since Nigeria is nearer to your country.

Yours sincerely

ANTHONY MONGALO
