Cde Pethu Serote,

Adult r"ducation,

SDNAFCU.

Dear Comrade Pearl,

Video Films on factories.

We last wrote to you on 1.2.'87 about your

request for videos on factory work. SACTU

and IDAF were not able to supply us with

any, but the education sector of the TUC

offered information on what is available.

I contacted them several times and there

were delays due to illness of staff.

I again spoke to them yesterday and the

person in charge informed me that he had

sent a video and information to my home

address some time back. This has apparently

been lost. Another Film and information

about video's has been promised.

I do hope that this materialises and that

we are able to help you. Babette Brown

is also seeking other sources for suitable

materials.

Warm wishes to all comrades,

In the year of advance to people's power,

I

Freda'Katz.

Secretary, London Education Committee.
