Dear Mr. Mongalo:

It is my privilege to invite you to serve as a nominator for the fourth annual Africa Prize for Leadership for the Sustainable End of Hunger.

The Africa Prize annually honors a distinguished African man or woman who has exhibited exceptional leadership in bringing about the sustainable end of hunger at the national, regional or continent-wide level.

Through this prize, The Hunger Project focuses world attention on those qualities of leadership which are necessary to provide Africa's people with the opportunity they need to achieve their own economic viability.

In the enclosed report, you will find the speeches presented by the 1989 prize laureates, His Excellency Quett K.J. Masire, President of the Republic of Botswana, and Dr. Bernard LÃ©on Ouedraogo, founder and leaders of the largest and most successful grassroots self-help movement in Africa.

The report provides the information you will need in order to submit nominations for 1990. Nominations must be received by 1 June.

,

Given your experience, interest and perspective in the issues of African development, we would greatly appreciate your participation in this initiative through the nomination process.

Sincerely,

MW

Dr. John Coonrod  
Prize Administrator
