. Dear Ms Johansen-Stolt

We wish to inform you that we have received, on 8 November 1994, your grant amount of R12,857.96 and we thank you most sincerely for forwarding this to The Batlagae Trust. Enclosed is a copy of the bank form confirming the transfer of funds.

We are particularly grateful for your loyal and generous support, and we thank you for your commitment to the returned youth of South Africa. It is only through assistance such as this that many young returnees have been given the opportunity to fulfil their potential, and ultimately to make a contribution to our new democracy.

With very best wishes

Yours sincerely

Wm
