

Esami Course Report

PARTICIPANT

Attend^Eant: Lebsky ZintoDuration: ~~Nine~~ weeks EIGHT

Course : Transport And International Trade

Venue : Njiro Hill (Arusha)

It was a tailor made course arranged only for the ANC and SWAPO cadres. Though we all (participants) arrived two weeks later, we managed to complete all the subjects in accordance with the institute's curriculum. It was organised as follows: TRANSPORTATION MODULE

- 1) Road transport
- 2) Materials Management
- 3) Rail transport
- 4) Maritime Transport

Each module took us about a week. Meaning Transportation cost? us 4 weeks.

INTERNATIONAL TRADE

- 1) Materail Management.
- 2) ABCs on Computer Operations
- 3) Stores Management.
- 4) International Purchasing And Procurement and Containerisation

A week was included for a field-trip to Nairobi (Kenya), of which I couldn't attend due to lack of Travelling document (passport) with no apparent reason. Well its unfortunate that I was the only one who couldnt proceed for the field trip.

RECOMMENDATIONS

- 1) It would be more advantageous if people who are to attend ESAMI courses be informed or notified in advance for organisational sake?
- 2) I think more and more of our cadres need to be exposed to "new" Management skills for the advancement of our revolution.
