Dear Comrades

Please be informed that the meeting that was scheduled for the 7th of March 1992 had to be postponed due to the fact that COSATU had a coinciding meeting on that day. This meeting is now taking place on the 1st of March 1992.

Please send three delegates. It is very important for your department to attend as this meeting is going to brainstorm health issues in this country. '

Comradely Yours

(3wa
