Dear Comrade

Re: Study Permit Applications

The Office of the nundersigned hereby wishes to introduce the following comrades who are in need of a study permit:

Joseph Kani  
Thandeka Khumalo  
Caiphus Mosue  
Kedibone Mathope

These are ANC members normally based in our Agricultural Settlement in Mazimbu Morogoro. They arrived in Zimbabwe to attend the Danhiko school. They are being sponsored by SIDA. The ANC would be indebted to you, dear comrade if you were to assist in having their immigration status regularised and recommend them for a study permit.

Yours sincerely

Zolani Mtshotshisa  
Administrative Secretary
