Ms Linda Zama

Dr Dirk Meiring

Dr Chris Garbers

Dr Johan Pretorius

Mr Trevor Abrahams

Mr Duncan Sebifelo

Senator G Mashamba

Mr J H Roux (Secretary)

2. PREPARATIONS : LETTER

The Committee agreed that the crises revolved mainly around finances, governance structures and access.

3. PRESS STATEMENT

*work.  
Issues  
Finance.  
Governance.  
Access.  
Student behaviour* *Dirk Meiring  
to draft.*

It was resolved that a media statement concerning the brief of the Committee be released provided there were substantive matters to report.

4. THE SITUATION AT THE SETLOGELO TECHNIKON

The meeting noted that the term of office of the Technikon Council, which would have advised the Minister concerning the situation, had expired.

The meeting also noted that financial matters could still be attended to and salaries paid as there were still ex officio members of the Council on the Technikon staff.

*Colleges:*

It was resolved that, in the light of the request by the Rector for a commission of enquiry, this Committee would first attempt to facilitate the resolution of the problem.

- The Chairperson would contact and inform the MEC for Education of the North West Province of the situation and request her to liaise with the Transformation Forum of the technikon.
- Dr Meiring would take up the matter with the rector of the Technikon. separate meetings with the two groups would be arranged for 12 September 1994.

It was also resolved that the revision of the statutes and rules as well as repealing the Technikon's present Act be left in abeyance for the interim.

#### 5. GOVERNANCE STRUCTURES

The meeting agreed that the Committee had as its task the normalising and democratising of the situation and mediating and facilitating the process of transition, but that it would not involve itself in the actual process.

It was resolved that the Committee would allow people to appear before them, but that the Chairperson had to authorise such interviews.

It was further resolved that the letter inviting submissions to the Committee concerning the democratising of tertiary institutions' governance structures, be extended through the press. The character of the Committee, as a mechanism for advising the Minister on the issue, should be set out in the letter.

#### 6. REPORT OF TASK GROUP ON THE SITUATION ANALYSIS

The Committee noted that attention had not yet been given to a national loan and bursary scheme.

The Committee further noted that the principle of a "user fee" in education had not been addressed.

The Committee was further briefed on the present state subsidy. The Committee also noted that the reassignment of funds allocated to universities would result in shortfalls for other services.

7. INTERVIEW WITH STUDENT REPRESENTATIVES OF SASCO AND PASO

7.1 The Chairperson welcomed the representatives of the two student organisations.

7.2 The following students represented the organisations.

Stephanie Allais	SASCO
Mahlengi Bhengu	SASCO
Tsietsi Telite	PASO
Baldwin Ndaba	PASO

7.3 The Chairperson informed the meeting of the brief of the Committee.

7.4 The Committee noted the following perceptions of the two organisations on flashpoints:

- the transformation process
- finance denying access
- no democratic governance
- the absence of a national loan and bursary scheme
- subsidies to tertiary institutions.

7.5 The representatives interpreted their perceptions as follows :

- to see to it that Government's role should be seen in resolving the financial problems of certain universities and of students who could not pay : emergency financial allocations
- affordable tertiary education must be available
- that the management of tertiary institutions be sensitised regarding the crucial importance of transformation

- that an open and negotiated admission policy be applied at tertiary institutions
- Government must assist in democratising Universities, and the process needed to be all-inclusive for all who could benefit from tertiary education
- to convey to Government the need to :
  - \* look into the financing of tertiary education;
  - \* solve language matters at specific universities; and evaluate the curricula which should be based on the value systems of the nation.

#### 8. CONCLUSION OF THE DELIBERATIONS WITH SASCO AND PASO.

The Chairperson concluded that the Minister would be advised on :

- possible solutions for the problem of the exclusion of students on financial grounds;
- possible extenions of the brief of the Commission for Higher Education;
- admission policies at tertiary institutions;
- democratising governance structures at tertiary institutions.
