Dear Comrade

This is to request your good office to assist us with the up-dating of the enclosed travelling documents belonging to the members of the African National Congress ANC(SA) who have just came back from school in the Soviet Union where they were sent by the organisation.

They arrived in Lusaka, Zambia on the 21-10-91 with a hope to be repatriated soon after a few days which finally could not materialise due to problems beyond our control. It is now hoped that the comrades could travel back home after December when the UNHCR begins with their repatriation programme.

We are therefore requesting that they be given ninety (90) days which we hope may cover their remaining number of days they are still to spend here in Lusaka. They are QOQU BONDILE, LONI MZWANDILE, both holders of UNCTD's and DANIEL JACOBS, RONALD S. DLAMINI who are holders of Swaziland passports.

Thanking you in advance for your continued co-operation.

Comradely yours
