Dear Sir

RE: REQUEST FOR ASSISTANCE

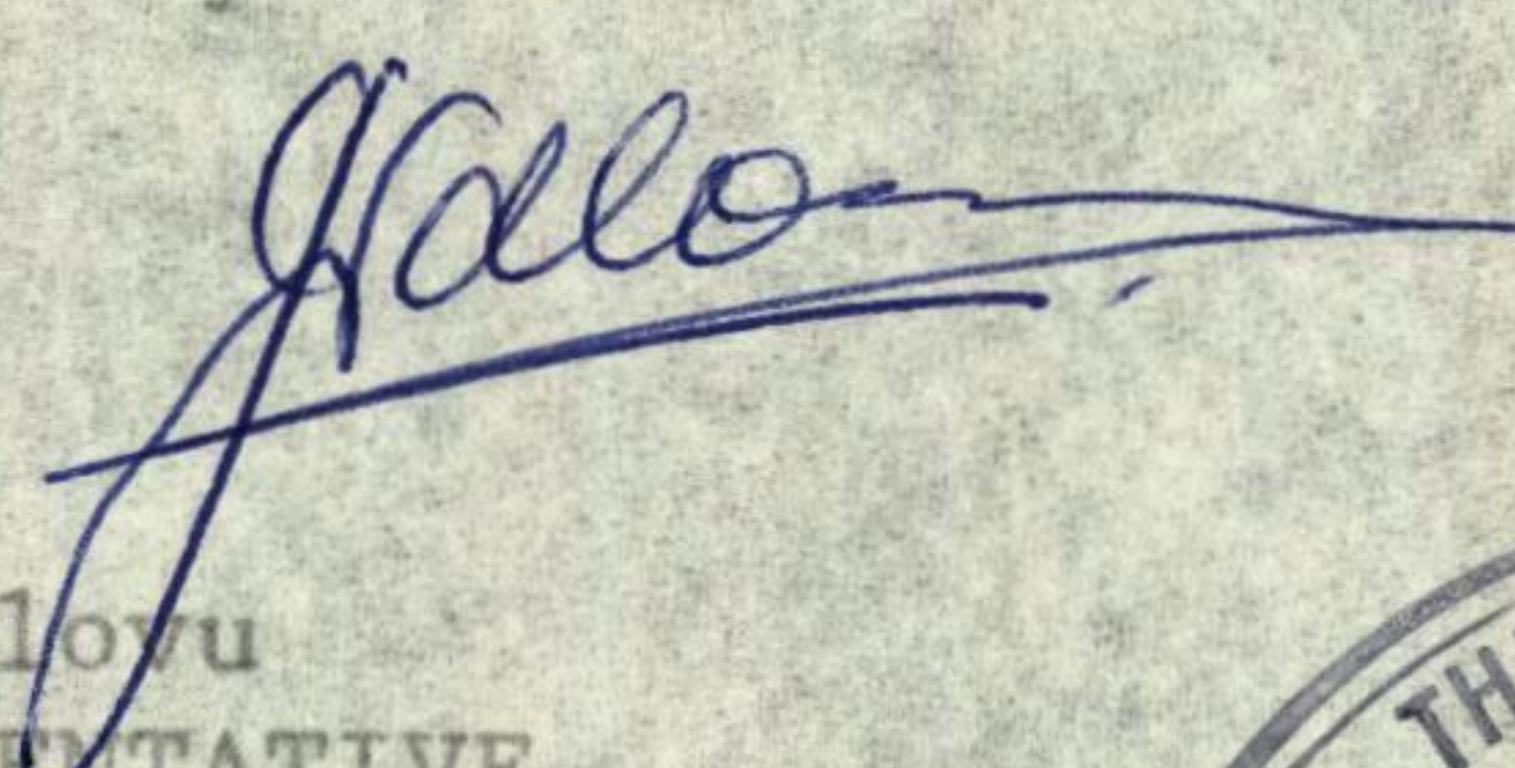

The African National Congress of South Africa presents its compliments and has the honour to inform that we have three of our female members who are expectant and are due for delivery shortly.

Unfortunately, our office is not in a position to assist them any how. We therefore request your good office to kindly assist with whatever is needed by the hospital in such a case.

Please find enclosed a list of requirements by the hospital.

Thanking you in anticipation.

Yours faithfully
