Dear Comrade Dingles,

During our meeting with the SPD-Parliamentary group on the occasion of Mzwai Piliso's visit here, we were informed by Wolfgang Roth that there was an open invitation from Comrade Brandt to our president Oliver Tambo. I've been asked by our Headquarters to make inquiries as to the availability between the 28th and 31st of January, 1983, preferably the 29th of January, 1983 for a visit to this country and for such a meeting/meetings.

The idea being, that since he is in Europe he would like to honour this invitation and the invitation extended to him by the EKD. Please note that this is an inquiry and a lot will depend on a trip he is undertaking immediately prior to this date.

We would also like to take this opportunity to thank you and the SPD for assisting us financially for making our 70th anniversary celebration a success.

with best regards,  
comradely yours,

Tony Seedat
