Re : Invitation to the Business Organisations Breakfast  
Date : 11th November 1991

D.P.O. 10.....

The treasury sub-committee has organised a programme for the business delegates on the Mayors delegation. This programme includes a number of functions including a business organisations breakfast to be held on Wednesday 13th November, at 7.30 am at the Carlton Hotel.

The breakfast will be hosted by the Cde President and the Mayor who will both address the function. The whole of the Mayors delegation has been invited to attend.

A range of business organisations from accross the political spectrum have been invited to attend the breakfast. In order to stimulate discussion after the main addresses we would like to ensure that there are one or two ANC people at each table.

Please could you confirm whether or not you you will be able to attend. Due to the time constraints we would need confirmation no later than 5pm today (Monday 11th). Please phone Movement Enterprises (29 30 32/5) to confirm and speak to Shirley.

Yours sincerely

Peter Roussos
