The Director,

Department of Manpower Development,

ANC.(SA)s

LUSAKA.

Dear Comrade Dillinger,

The Director of Mazimbu would like the Catering Staff at SOMAFCO to be augmented by the recruitment of suitable ANC supervisory personnel. At the moment there are only three active ANC comrades working in the Catering Department of SOMAFCS. Besides having to feed the students and staff of the College, SOMAFCO is the venue of numerous special events, Conferences and the like, which put an extra strain on the efforts of the Comrades in this department.

In any event, the head of the Catering department at SOMAFCO has always drawn attention to the fact that catering work at SOMAFCO is a particularly sensitive responsibility calling for constant and careful supervision from reliable ANC personnel. The time has come for us to recognise the importance of this, and it is also because of this consideration that I address this request to you to help us find suitable persona.

United Action.
