Dear Oliver,

Your cable arrived in my absence on August 10.

I was away for about three weeks on a trip.

I heard about

the arrest of Nelson Mandela and was greatly concerned.
we would not be in a position to do very much right now
but I think that we might be able to send about \$200.
The demands upon us have been very great with the happen~
ings in Angola, refugee problems, etc.
Should I send this
to you in London and let me know how we should make it out.
Also, give me further details and maybe we can do more
later.
