

Plans are on to transfer the nen-workors to Dakawa. Some or the
habitual nonworkrea like WW md Nonhnuloko Gabi
have been ro-tnatated by their departments. When I approach Odo
Farida tho said Nanhxluloko should be given 3 lat chance. The
same idea. came from the Treasury concoming Wage David Soa-

A mutton came from the Youth Chairman that we should call a meeting with 5.11 the comrades who are mppou to go Dakawa and invite the Regional Coming, Women Section. Youth Section. He said this will help us because then comrade: wont be 111th poa-
1tian o: waning th the Regional Commissar/RDO etc 111:: they did last time. I'll alto in favour a: such a muting to avoid problem. Thou Iha want to leave the urbanisation should be unwed to do an. I'm sure they will know after that. that there 1: no life onto 316.0 the ma.
