Thank you for your memo of 26/11/83. Please refer to Cd. Natie as I discussed with him the setting up of a central requisitioning system controlled by the Treasury.

I merely informed Cd. John Carneson - School Resources about the offer made by the Komsomol as requested by Cd. Jackie Selebe of the NYS. I asked J.C. to invite the various departments, Primary, Nursery and sports ass. to requisition through him to the NYS.
