ORGANIZATION FOR REHABILITATION  
THROUGH TRAINING.

Dear Mr. Arnold,

We were very pleased to hear from our Mrs. Selma Marcuson that you would be prepared to speak to the ladies of our ORT Art Group, and also show them some sculpting.

We would be much obliged if you could arrange this for the morning of Tuesday, 16th November 1971, and Mrs. Zimmerman's home, at the above address, would be used for our venue.

Would you be good enough to confirm this date with Mrs. Zimmerman by return of post, as we would like to make arrangements about the printing of tickets for distribution among our ladies.

About a week before the lecture, would you please contact Mrs. Zimmerman at 43-7959, so that the necessary arrangements could be made for her to collect the pieces which you would wish to show at the lecture, and also to arrange for her to bring you to her home. Our lectures usually commence at 10 a.m.

We thank you in anticipation for consenting to talk to our Group, which we are sure, will very much enjoy listening to you and seeing some of your work.

Our organisation is known throughout the world, and is mainly concerned with the teaching of trades to our youth, so as to enable them to live free of charity as self supporting citizens of their various countries.

We look forward to having your confirmation soon, and with every good wish,

Yours sincerely,

*E. Lefkowitz*
