Dear Barbara Masekela,

RE: NIGERIAN ARTISTS FRONTLINE TOUR WITH AMANDLA BAND.

Following our initial discussion I am writing to formally propose the inclusion of the Amandla band in the tour and to outline areas of co-operation and responsibility.

This tour is being organised by Africa Sun based in Harare. The tour includes Zambia, Zimbabwe and Botswana and the making and distribution of an album and video. (See attached report and itinerary)

The tour is in solidarity with the Frontline States and the film and record aim to focus African and international support against the evil system of apartheid. Appearing in the concert is the world renowned Sonny Okusun, who is vigorously outspoken in his stand against the South African regime and support of the ANC, with such albums as 'Fire in Soweto', 'Revolution' and 'Liberation' dedicated to African freedom fighters. The Nigerian artists will be appearing together with Amandla throughout the tour, with local groups performing at the different centres, including the ANC 'Thami Mnyele Quartet' with Zambian Airforce band 'Air Power'. A large ANC flag will be part of the backdrop.

Africa Sun will responsible for:-

- 1) Inclusion of 15 person Amandla Band for which Africa Sun will cover all costs.
- 2) All tour expenses - accommodation, air and road transport, living expenses, show/venue costs, technical and stage equipment etc.
- 3) Tour organisation - hotel bookings, venues and right of performance in the different countries has been confirmed.
- 4) All publicity - T.V., Radio and media.
- 5) Distribution agreement between Africa Sun and ANC, which will be signed on behalf of A & M Records (London). Royalties will be given to ANC for Amandla songs featured in the record and Amandla performances in the video.
- 6) Inclusion of 4 person ANC video team at expense of Africa Sun to be part of the official film crew.
