MESSAGE:

Dear Dr Ginwala

I have been trying to call you on the phone but unfortunately keep  
on missing you.

I gather you. met Luchi Balarin and Terence Ball at a recent  
function. As you know, we are preparing a new school atlas for the  
new South Africa, and Luchi said You might be able to put us in  
touch with a cartographer on the Commission for the Delimitation  
and Demarcation of Regions who would be able to advise us on the  
new regions. Our own cartographer will be in Johannesburg in the  
last week of November. 90 if you could let me have this information  
by 15 November it would be a great help.

I look forward to hearing from you.

Best wishes.

Yours sincerely
