Dear Dr Moore and Ms Holder

I was sorry not to have had the opportunity to meet you on your recent trip to South Africa and hope your visit was successful.

I was interested to see the material about your projects, which you left with my colleagues. In particular, your reference to Dorothy Zihlangu (b 1920, Ciskei) in point 4: **Reconstruction and continuity of Till Kingdom Come**, your exhibition and research outline is of immediate significance.

My colleague, Elza Miles, is currently researching South African artists born before 1929 for a major exhibition next year and this artist is not known to her. I would appreciate your assistance in locating more information about Dorothy Zihlangu. Can you perhaps fax through details of your sources, and perhaps photocopies of the images to which you refer?

I look forward to your reply.

Yours sincerely
