Mr. Awad Idris,

UNESCO,

P.O. Box 9182,

Dar es Salaam.

Dear Brother,

Subject - Request for Equipment

As you are aware, the African National Congress (SA) has a wide programme in its fight against apartheid and racial discrimination in South Africa.

It is our interest to develop the programme of closer co-operation with UNESCO for the realisation of the mutual aims.

Our programme of co-operation can be summarised in the provision of assistance to the ANC in the form of

(1) Supply of written material (books) on racial discrimination and the problems of South African in general.

(2) The printing of material where an ANC will supply necessary manuscripts.

(3) Provision of equipment, particularly in the form of a printing press for the continued publication of material in certain topics to be agreed upon between ANC and UNESCO.

(4) Study tours by senior members of the ANC for preparation of specialised materials.

(5) Support personnel, particularly clerk typists to help in them projects.

(6) The employment of UNESCO consultants for the organisation of seminars on eg. literacy campaign.

A detailed request will be forthcoming soon.

At present we are in grave need of four typewriters for the purpose of our programme in diffusion of information to combat apartheid.

In view of our growing programme and the expenses we are incurring to cope with the growing demand we are immediate need of a photo-copy machine. Should there be any possibility of providing this machine we are attaching a pro-forma.

We will be greatly indebted for your assistance.

Your sincerely

A.F.P. *R. Maelle* SECRETARY GENERAL
