Dear NWC

Arrangements have been made for the permanent staff of the ANC Education Desk to move to the Shell Building in Plein Street.

On behalf of the department I would therefore like to take this opportunity to express our deep felt gratitude for all the help you have given us in the form of providing offices and access to all other facilities.

We are also grateful for all the co-operation we have received from all the members of SACHED staff with whom we have interacted.

On behalf of the National Executive Committee of the African National Congress I would like to express a wish that the good relations that exist between SACHED and the ANC can continue to our mutual benefit.

Yours sincerely
