## AFRICAN NATIONAL CONGRESS

FRENCH MISSION  
REF./.....

Paris, 31 March 1993

Dear Comrade's,

On behalf of the ANC Mission in France, we pass our warm regards to you with all the difficulties we have experienced in our station. Please receive a letter that we have circulated to all Political, Anti-apartheid and NGO parties. To unite the French supporters of the ANC that are the least form to move.

We would like that the bank account number of the ANC be made available to the parties involved in the fundraising campaign. We would prefer to have two members from both Anti-apartheid movements to be on the board of signatories of the account. They will work part or full time as consultants too, if the French government gives us the funds for 1993.

I am looking forward to seeing you on the 18th of April 1993, to explain and elaborate more about the sensitivities of France.

Yours in the struggle,

Michael Mcebisi MSIZI  
ANC Chief Representative, France
